

LELA CHILDREN'S HOME

A HOMES AND SHELTERS PROJECT

Kamukuywa is a very special place. It is home to one very large and happy family. Over the years, Bro. Justus and Sis. Annette Mabuka have taken in over 100 orphaned and unwanted children. Although struggling to support this enormous family, and despite the children having to sleep outside, the Mabuka's opened up their home and hearts to these needy children. The children were getting a bit to eat as they shared amongst themselves, but were unable to go to school. Agape in Action began sponsoring these children in March 2007 allowing the Mabuka's to provide food and clothing for the children and to ensure all were able to go to school.

The Kamukuywa Lela Children's Home has been an exciting partnership between the CBM, CMaD UK and Agape in Action. CBM and CMaD raised the funds to build Lela which is comprised of two dormitories, an eating area, kitchen and washroom blocks. This children's home houses 60 of the younger children that Justus & Annett were caring for.

They are now supported by a team of support staff to ensure these kids receive the best care possible. This home is supported by Agape in Action & CMaD.

Lela is such a happy place - the children have been transformed and are healthy and continue to learn of the everlasting hope that the Bible has to offer. All the children attend the Kamukuywa Sunday School which has 500 children on the roster!

Thank-you for sponsoring this home and ensuring that these children have the basics in life - food, water, shelter, clothing, school and medical checks as they await our Lord's return

"Train a child in the way he should go, and when he is old he will not turn from it." Prov 22:6
